

Dear Voter,

We have received your voted ballot. However, we are unable to count the ballot at this time because your signature was not on the ballot envelope or the signature did not match our records. Utah law requires that we verify the signature on the affidavit in order for us to count the ballot.

Please sign and return the affidavit provided below **as soon as possible** so that we can process and count your ballot. We must receive your signed affidavit by November 13th.

You can send your completed affidavit to elections@utahcounty.gov or to our office located at 100 E Center St, Room 3100, Provo, UT 84606.

Thank you,

Utah County Clerk/Elections Division
